UTBU

Mare Winningham, Kevin Fowler

Chris Koval, Linda Lagerstrom

UTBU is the story of an organization called "Unhealthy To Be Unpleasant, which tries to rid the world of nasty people by blowing them up with bombs. The group is headed by a blind woman named Wilma Uggims. In the play she visits an actor to check rumors that he is trying to kill his 94 year old mother. The rumors are true and the play proceeds from there to almost complete madness as the actor tries in two dozen ways to assasinate Uggims. This play was one of the funniest that Chatsworth has ever produced. UTBU was written by James Kirkwood and directed by Mr. Robert Carrelli.
